LAB BETWEEN OFFICE

TRAINING OBJECTIVES

Increasing communications between lab and offices:

-communicate with one of the most valuable members of your team

Choosing the right shade guide for your procedure:

-A zillion shade guide options out there, which one do you use?

What information does the lab need to fabricate your case?

-The more information you provide the lab the better understanding your lab will have of the outcome of the case.

Photography:

--Why and what the lab needs

"I WILL CUSTOMIZE THIS COURSE TO MEET THE NEEDS OF YOUR LAB!"

ABOUT TIJA

Tija is a dynamic speaker who mixes fun with learning in every presentation. She identifies with team members because she is one! Her passion for teaching shines through in each presentation!
